Overview

Bratislava, located on the River Danube, has been an important hub of Central Europe for centuries. In the 20th century, it was perhaps a little bit in the shadow of nearby Vienna or Budapest, but nowadays charming Bratislava has been rediscovered by travellers from all over the world.

Thanks to its location, in the 16th century, Bratislava became the capital and coronation town of the Hungarian Kingdom. The most important and most famous monarch who was crowned in Bratislava was Maria Theresa.

After the separation of Czechoslovakia in 1991, forming two independent countries of Slovakia and the Czech Republic, Bratislava yet again naturally became the capital of Slovakia, and deservedly so.

This tour is the super way to explore the highlights of Bratislava and several hidden gems beyond Bratislava, including Lednice UNESCO grounds and the nearby winegrowing towns of Mikulov and Skalica,

Day 2: Sightseeing in Bratislava.

Located on an ancient European trade route, Bratislava has always been a busy and flourishing town. Only a 65-km distance from Vienna made Bratislava a popular summer residence of Queen Maria Theresa.

Bratislava, often called the pearl of the Danube, along with the High Tatras, is naturally Slovakia's top destination. Today we'll follow the coronation route of Hungarian kings that is marked out in plaques with gilded crowns hammered into the cobblestones.

The dominant feature is Bratislava Castle towering majestically above the Danube. During our guided tour, you will also see Michalska Brána Gate, Primate's Palace and the President's Palace, St. Martin's Cathedral, and more.

Afternoon is free for further exploration and an optional cruise on the Danube River to the Devin Castle, one of the iconic symbols of Slovakia.

Day 3: Discover the Lednice-Valtice UNESCO grounds, known as Moravian

Versailles, then travel to Skalica.

This morning we'll cross the Czech-Slovak border and travel 1 hour north by a private bus to explore the most attractive part of southern Moravia, an area known as Moravian Versailles. The first stop on today's list is the winegrowing town of Mikulov dating back to the Stone Age.

Its many historical sites, including the dominate hilltop castle where Napoleon Bonaparte stayed during battles in Bohemia, make this town a destination that should not be missed. We'll have a guided tour around the town before we move to the next jewel of southern Moravia, the Lednický chateau.

The Lednický chateau was a representative summer residence of the Lichtenstein family and is the crown of the Lednice-Valtice UNESCO grounds, one of the most beautiful complexes in the English Neo-Gothic style in Europe.

In the afternoon, we'll cross the Czech-Slovak border once again and travel 40 minutes to the royal town of Skalica, the jewel of western Slovakia. Dating back to 13th century, Skalica is known for its preserved historical centre and extensive vineyards that surround the town.

For a short period of time, Skalica was also the capital of Slovakia, but the real glory of Skalica is especially linked to two local specialities: pastry "Trdelník" made from dough wrapped around a wooden stick and baked over an open fire before being topped with sugar and walnuts and the red wine "Skalický Rubín" (Skalica's Ruby).

During our visit to a family-run wine cellar, accompanied by a local vinedresser, you'll have the opportunity to taste both Trdelník and Skalica's Ruby as well as many other locally produced wines, while finding out about the spectacular folklore that is very much still alive in and around Skalica.
