Overview

Come and enjoy a cross country skiing lesson around Strbske Pleso, a picturesque, glacial mountain lake surrounded by snow-capped peaks and forested hills. You'll spend the day in the mountains, making the most of the picturesque surroundings as you find your feet on cross-country skis. We usually spend the morning around the lake, before stopping for lunch at a traditional restaurant. There's also the possibility to go into hillier terrain above the lake after lunch, for stunning views of the Low Tatras and Slovak Paradise National Parks.
